The Infusion Center on the first floor of the Huntsman Cancer Institute (HCI) Clinic at South Jordan Health Center offers six comfortable recliner chairs in an open bay infusion room and two private rooms with recliners. Private rooms are available for patients who are sick or request one at the time of scheduling.

Your regimen is called _______________________.

Your treatment will take approximately_____ hours.

What should I wear?
Wear comfortable, loose-fitting clothes with easy access to your arms for IV or chest if you have a port or central line. Please avoid from wearing perfume or cologne.

Should I eat?
You may eat before and during treatment as you wish. You may bring food from home. The Tumbleweed Café (open 8 a.m. to 3 p.m.) and Starbucks offer food and are located on the first floor, in the center of the building. Free beverages and snacks are available in the Infusion Center.

What should I bring with me?
• Any medications you normally take and will need while you are here, especially pain medicines
• Items to help pass the time since treatment may take a few hours
• Someone to drive you home, but no more than two guests

NOTE: Children under 14, sick visitors, and pets or therapy dogs are not allowed in the Infusion Center or waiting area. South Jordan Health Center offers no-cost daycare services, located on the third floor, for patients with scheduled appointments. Children must be 18 months or older.

What is available in the Infusion Center?
• Pillows and blankets for your comfort
• Magazines, books, and personal T.V. with Netflix
• Restrooms
• A comfortable chair for guests next to each infusion chair
• Free beverages and snacks

What can I expect on the day of my treatment?
Lab Visit
• Check in with the Infusion Center.
• The nurse will start an IV or access your port and draw blood for lab tests. Lab results usually take about 1 hour.

MD Visit
• Check in at the clinic on the second floor.
• Meet with your doctor to review your condition and lab results.

If you are not scheduled to see your doctor the day of treatment, go directly to the infusion center.

Infusion Appointment
• In the Infusion Center, you are assigned a nurse who is responsible for your care. You may be asked to sit in a private room if the Infusion Center is busy.
• A pharmacist and your nurse check your lab results and verify treatment orders before preparing your chemotherapy.
• Chemotherapy drugs are prepared in the pharmacy then checked by two pharmacists and two nurses. It will take at least 30 minutes to do the required checks and prepare your chemotherapy.
• During treatment, your nurse will give you information about the drugs you receive. Your nurse will also talk about possible side effects and how to manage them.
• After treatment, your nurse removes your IV or the line going into your port. Your nurse gives you final instructions. Please check out with the scheduler if you need to make a future appointment.

What if I have questions?
• During business hours, call your clinic nurse at 801-213-4319.
• After hours or on weekends or holidays, please call the hospital operator at 801-587-7000 and ask to speak to the oncologist on call.
• For infusion scheduling, call 801-213-4319.
