Welcome to the Infusion Center

Our staff promise to

- Treat you with kindness and care about you as a person
- Identify themselves and wear ID cards
- Keep you informed
- See you in a timely manner
- Ask for your ID each visit and ask you to verify medical information to assure accuracy and safety
- Educate you and answer your questions before you go home
- Provide exceptional care and act only in your best interest

We ask you to

- Please limit visitors to no more than 2 (children ages 14 and over are welcome)
- Take care of your personal items
- Be as quiet as possible when talking with visitors or on cell phones
- Understand there are factors that may cause a delay to your visit such as lab results, calls to your doctor, or emergencies

Your safety is our number one priority. If you have any questions or concerns about your visit, please tell your nurse or the Infusion Center manager.
