

Longitudinal Rotation: Project / Publications

Rotation Preceptors: Erin R. Fox, PharmD, others to be determined

Site Description: To be determined by project selection.

Rotation Description: The resident will conduct a year-long residency project.

RLS Goals

R1.3 Contribute to the biomedical literature.

R1.4 Prepare and deliver effective poster presentations.

R4.1 Conduct a drug information practice-related project using effective project management skills.

Activities Evaluated:

Rotation Activity	RLS Goal	Teaching Methods
Write up project proposal for IRB submission and Residency Advisory Committee	R4.1	Coaching Facilitation
Present project for Residency Advisory Committee approval	R4.1	Coaching
Obtain IRB approval for project (if necessary)	R4.1	Coaching Facilitation
Prepare and present a poster for the UHC meeting in conjunction with the ASHP midyear meeting	R1.4	Coaching Facilitation
Prepare an abstract and present a 15 minute platform presentation at the Western States Residency Conference	R1.4	Coaching Facilitation
Write up project results in format to be submitted for publication	R1.3	Coaching Facilitation

Evaluations: Evaluations will be documented in Resitrak™. At the end of each rotation, the resident will self-evaluate, the preceptor will evaluate the resident, and the resident will evaluate both the preceptor and the learning experience.
