

FLEECE BLANKET INSTRUCTIONS

1. Make sure the selvedge and white edges are cut off of each side of the fabric. Many of the blankets already have this done, but please check them to make sure.
2. Use a ruler to measure in 5 inches in on each short side of the blanket. Mark the line with chalk.

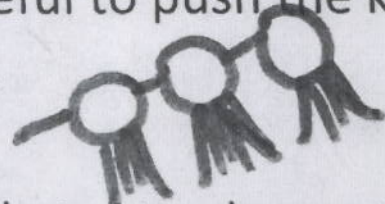

Chalk line
five inches
in

3. Cut 1 inch strips up to the chalk line.

Cut
up to the
Chalk line.
Make sure
to only
cut the
short
sides

4. Tie one knot in each strip being careful to push the knot as close as possible to the uncut edge.

5. Fold, roll, and tie up the fleece blanket. Attach a note to it. Put the blankets in the completed blanket stack.

6. Clean up any scraps.

Thankyou!
