## LOBBY

The Kathryn F. Kirk Center is a total of 220,000 square feet.

This building features modern and contemporary works by American Indian artists. Artworks include paintings, basketry, pottery, carvings, and weavings. All pieces are part of the Jon M. and Karen H. Huntsman Family Collection.

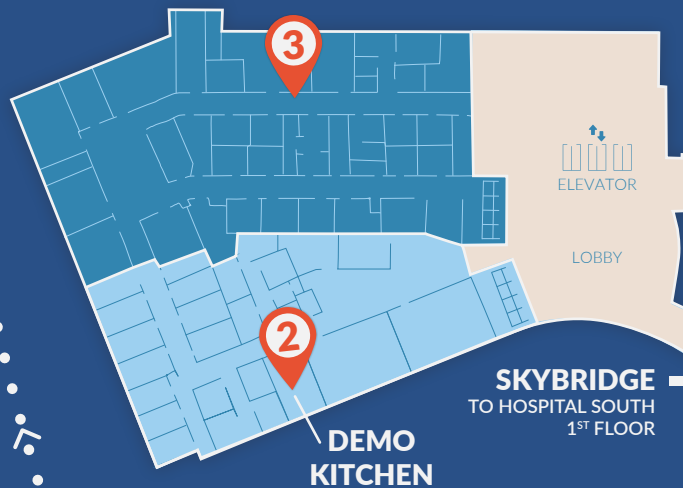

# LEVEL 1

## ENDOSCOPY CLINIC

The new clinic includes pre-procedure rooms and patient recovery areas.

## 2 WELLNESS & INTEGRATIVE HEALTH CENTER

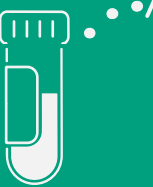

Well-being of body, mind, and spirit are at the heart of services in this expanded space, including nutrition, massage, acupuncture, and movement.

# LEVEL 2

There are 20 new exam rooms on the 2<sup>nd</sup> floor. Exam rooms have specially designed desks so physicians can look at the patient and caregiver while charting.

## FAST TRACK LAB

The lab allows critical blood work and other tests the day of treatment. A pneumatic tube transport system sends lab specimens, blood, medications, and supplies to locations throughout the health system. This includes 129 stations with a daily average of 3,473 transactions!

## MAMMOGRAPHY

The new area is triple the size of the previous space. Patients wait in a calm and quiet atmosphere surrounded by specially curated art.

# LEVEL 5

## 6 BONE MARROW TRANSPLANT (BMT) INPATIENT ROOM

There are 24 new rooms on each of the two inpatient floors. Some inpatient rooms have a hoist system to aid mobility.

## 7 CENTRAL CORE

This high-tech storage area contains large care equipment, medical supplies, and medicine. An automated advanced technology system alerts staff when supplies need to be restocked.

# LEVEL 7

## 8 FACULTY & STAFF PATIO

There are 72 total new offices and 84 new cubicle desks in the Kathryn F. Kirk Center on the 7<sup>th</sup> and 8<sup>th</sup> floors.

“Cancer touches every family, and ours is no different. We lost my mother, Kathryn, to cancer. She spent her life in service to her family and her community. That spirit guides our family, and we are honored to help further the mission of Huntsman Cancer Institute.”
