VALUES
Hope • Respect • Compassion • Innovation • Exceptional Care • Integrity

MISSION STATEMENT
The Wellness and Integrative Health Center provides individualized care for people affected by cancer. We offer compassionate support, diverse treatments, and wellness guidance to enhance quality of life through evidence-informed practices.

VISION STATEMENT
Our goal is to expand services and reach individuals throughout our diverse communities by offering exceptional care at the forefront of integrative health.

MOTTO
Imagine Wellness - Discover You

“The Wellness and Integrative Health Center staff are uniformly excellent. They focus on my individual situation, condition, and potential. Attitude is critical, and positive attitude is the hallmark of everyone I have met here.”

Program Participant
ACUPUNCTURE

This integrative service, adapted from traditional Chinese medicine, uses fine needles placed in the skin at specific points. Acupuncture can help control many side effects of cancer and its treatment, including the following:

- Dizziness
- Fatigue
- Headaches
- Hot flashes
- Insomnia
- Nausea
- Neuropathy
- Pain
- Stress

“The dietitian at the Wellness and Integrative Health Center offered solutions to my mother’s diet that have been helping her dramatically.”

Caregiver of Program Participant
POWER PROGRAM
(PERSONAL OPTIMISM WITH EXERCISE RECOVERY)

The POWER program helps improve quality of life, reduce treatment side effects, and increase strength for daily living. Personalized exercise plans are based on diagnosis, cancer type and phase, and fitness goals. They include a medical and fitness assessment by a doctor, an exercise prescription, and follow-up exercise sessions from a highly skilled cancer exercise specialist.

Telemedicine appointments are available. Use your computer, tablet, or smartphone to talk face to face with your cancer exercise specialist. These digital follow-up exercise sessions can help you save time and reduce travel. For more information, call 801-587-4585.

“The Wellness Center team helped to provide amazing physical and emotional support during my recovery”

Program Participant
Please note that fitness classes will be canceled on JULY 4, JULY 24, AND SEPTEMBER 2 for holidays.

BARRE
Combines elements of ballet barre with Pilates, conditioning, and flexibility training.

| W  | 12:30–1 p.m. | 6th floor multipurpose room | FREE |

CARDIO INTERVALS HIIT
High-intensity interval training (HIIT) involves repeated bouts of high-intensity movement followed by recovery times. It can be modified for all fitness levels and special conditions.

| F  | 6–6:30 a.m. | 6th floor multipurpose room | FREE |

CORE AND STRETCH
A fusion of flexibility exercises and core conditioning to strengthen the back, abs, and hips using stability balls, BOSU balance trainers, dumbbells, and resistance bands.

| M W | 6:30–7 a.m. | 6th floor multipurpose room | FREE |
| W   | 11:30 a.m.–Noon | 6th floor multipurpose room | FREE |

MINDING MOTION™
This fun and energizing movement program is done seated in a chair and standing. Participants of all levels and abilities reconnect with their bodies and improve balance, coordination, posture, and motor skills.

| T  | 8–9 a.m. | 6th floor multipurpose room | FREE |
| F  | 10–11 a.m. | 6th floor multipurpose room | FREE |

“Minding Motion is an inspiring and invigorating activity. After class, all I could think about is how grounded and energized I felt.”

Program Participant
