*The American Cancer Society Hope Lodge in Salt Lake City serves as a home away from home - free of charge- for adult cancer patients and their caregivers. Hope Lodge, a non-medical facility, offers a sense of community and comfort to cancer patients who must travel to the Salt Lake City for lifesaving cancer treatment, typically not available in their home community. During the often long and emotional process of treatment, cancer patients receive support at Hope Lodge from professionals, families, friends and other cancer patients to help build the hope needed during their cancer treatments.*
