Dear Patient,

I am writing to inform you that, regrettably, South Ogden Health Center will be closing. All services except orthopedics will end on Tuesday, Aug 31, 2021. We appreciate you entrusting us with your health and hope to continue caring for you nearby.

Dr. Michelle Murray will be moving her practice to our nearby Farmington Health Center. Joelle Creager, FNP, will be transitioning out of primary care and will only be seeing patients in urgent care. If you currently see Dr. Murray or Joelle or are in need of a primary or specialty care provider, we would love to continue your care at Farmington Health Center.
