Customer Service
We want you to have an excellent experience at University Hospital. If you have a concern about your care, please discuss it with your physician or nurse. We also have customer service team members available to help you. The Customer Service team provides support to resolve your concerns. They can also arrange interpreter services, photocopying, faxing, phone access, valet car service and concierge services for out-of-town visitors. You will find Customer Service at the information desks or the Customer Service office next to Starbucks. Or, call (801) 581-2668.
